

# The Promenader

Winter 2021 Edition

Hello to all members and friends of Promenade Productions.  
Welcome to our brand new quarterly newsletter.

After such a difficult time and the cancellation of last year's shows, it is wonderful to be in rehearsal again. Dick Whittington is progressing well under the guidance of Ceri Winrow and Dave Whittle. Tickets are on sale now and we would welcome all the support you can offer both, to achieve good sales and to help before and during show week. It is vital to the society's future that this is a successful run, both artistically and financially.

We have a set to build and paint, at the end of January, under the guidance of James Meekums, Stage Manager. We also require front of house staff. The Playhouse are offering a one hour free training to comply with all the safety and COVID requirements.

If you are able to help in any way, please email us or contact us on Facebook.
